Dear Chair DeLauro and Ranking Member Granger:

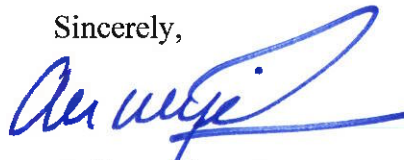

I am requesting funding for the Cleveland Clinic Radiology (Medina) Project in FY 2023:

The entity to receive funding for this project is Cleveland Clinic, located at 9500 Euclid Avenue, Cleveland, OH, 44195.

The funding would be used to construct and renovate a second imaging suite for the Cleveland Clinic – Medina Hospital. Medina Hospital currently uses a single imaging suite to perform interventional and diagnostic radiology procedures, in addition to cardiac and vascular procedures. It offers the only suite for cardiac catheterization in Medina County. Demand has climbed exponentially in the last two years since this suite opened, further exacerbated by COVID-19. Medina Hospital is now experiencing more demand than it can meet with only one imaging suite.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez
Member of Congress
